DEPARTMENTAL ACTIVITIES FOR THE ACADEMIC YEAR 2021-2022

JUNE MONTH MINUTES FOR DEPARTMENTAL ACTIVITY

Event : "Poster Presentation in Centrifuge Techniques"

Date : 04.06.2021

Class : II UG Biochemistry

Beneficiaries : 45

The Department of Biochemistry has conducted Departmental activity on Centrifuge Techniques for II UG Biochemistry students. In that activity Mrs. Pirose, Asst. Prof. In Chemistry and Dr. M.K. Vadivazhagi Asst. Prof. In Biochemistry explained about the useful of centrifugation in various fields. They both acted as chief guest for Departmental Activity On Poster Presentation in Centrifuge Techniques. All the students from II UG Biochemistry were participated in the departmental activity by presenting their posters.

DEPARTMENTAL ACTIVITIES FOR THE ACADEMIC YEAR 2021-2022

OCTOBER MONTH MINUTES FOR FORUM MEETING

Event : "Forum Meeting – Research Oriented Recent Trends in Biotechnology"
Date : 11-10-2021
Class : I & II PG Biochemistry Students
Beneficiaries : 20

The Department of Biochemistry has conducted Forum meeting on Research Oriented Recent Trends in Biotechnology for PG Biochemistry students. In that activity Ms.P.J.Jeneifer Mas, Acted as special speaker and she explained about the various wet labs and dry research labs available for Biochemistry. She encouraged the students to write more entrance exam and try to get job in research labs. All the students from PG Biochemistry were participated in the Forum Meeting and the students interacted more with the special speaker and gained more information regarding jobs in research field.

DEPARTMENTAL ACTIVITIES FOR THE ACADEMIC YEAR 2021-2022

OCTOBER MONTH MINUTES FOR DEPARTMENTAL ACTIVITY

Topic : "RECENT SCENARIO OF BIOCHEMISTRY"

Date : 13.10.2021

Class : I UG Biochemistry

Beneficiaries : 31

The Department of Biochemistry has conducted Departmental activity for I UG Biochemistry students. In that activity Dr.K. Padmalochana, Head & Asst.Prof.In Biochemistry gave lecture on future prospects of Biochemistry and about the research work going currently. Dr.M.Sudha, Asst.Prof.In Biochemistry explained about the branches of Biochemistry and jobs available in various departments. Instructions given for CAT Exams, about submitting Assignments which would be included for Internal marks are given to the first year students. 31 students were participated in the departmental activity.

DEPARTMENTAL ACTIVITIES FOR THE ACADEMIC YEAR 2018-2019

NOVEMBER MONTH MINUTES

Event : "INDIA START UP DAY"

Date : 22.11.2021

Beneficiaries : 230

Department of Biochemistry and Institution Innovation Council jointly organized the program entitled on "INDIA START UP DAY" on 22.11.2021 through online Google meet platform. The resource person is Mrs. R. Shubhadhra, PVR Foods, Coimbatore. Company was established in the year 2015, Owing to their preciseness and beautiful look these products are immensely acclaimed in the market. Her professionals work in close co-ordination with clients to meet their exact demands in the most efficient manner. They offered products are available at an affordable price range. We work with a customer's approach and focus on satisfying our clients by providing them effective solutions. Their superior quality products are designed with the captivating look. Under the excellent leadership of "Mrs. R. Shubhadhra", the mentor of this organization, we have gained a good position in the market. Her sharp business acumen, extensive market understanding and foresightedness have enabled us to become a leading market player.

The program was started by the prayer song followed by the welcome address given by Dr. K. Padmalochana, Head & Assistant Professor, Department of Biochemistry and the presidential address given by Principal Madam Dr. S. Rukmani. Totally 180 students were benefitted in this motivational session.

Session Link: <https://meet.google.com/idi-csbh-zjc>

The theme of the program is

- To motivate the students to become a successful entrepreneur in the market.
- To give the some important tips on how to stand on the competitive market field.

- To improve the basic knowledge of role in increasing entrepreneurial intention towards women entrepreneur in Indian micro, small and medium enterprises.

Out students were actively participated and interact with our resource person. They got more ideas about the budding entrepreneur tips. All are gave a very good interaction as well as feedback. Finally the program was ended with vote of thanks given by Ms. G. Malathi, IIC Department coordinator, Department of Biochemistry.
