### QUIZ QUEUE COMPETITION

On behalf of our department and curie club we celebrated "CLUB ACTIVITY" on 11.07.18. The day started with welcome address presented by Ms. Kamatchi in III<sup>rd</sup> year chemistry followed by Presidential address by our Principal mam. and special address by Mr. D. Prakash, Asst. Prof. Dept. of chemistry. Our IV<sup>th</sup> U and II<sup>nd</sup> P<sup>er</sup> students were participated in this activity.

The theme of the program is,

- to encourage the participant.
- to develop the creativity skill of the students

Totally 20 students were participated in the program and 3 of them were selected and appreciated by the HOD.

### AWARENESS ON ONLINE COURSES

On behalf of the department of chemistry and Curie club, we celebrated 'CLUB ACTIVITY' on 17-07-2018.

The day started with welcome address presented by Mrs. A. Firose mam, Assistant professor of chemistry followed by presidential address by Dr. S. Mythili, Principal and special address presented by Dr. V. Selvaraj, Assistant professor of chemistry. Our first year UG students were participated in that club activity.

The theme of the function is,

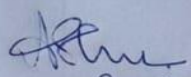

⇒ The young chemists were encouraged to participated the departmental activity.

⇒ to develop creativity skill of the students.

The celebration ended with vote of thanks given by the student, Mr. D. Prakash, Asst. professor of chemistry.

All the B.C., first year student around 55 beneficiaries were participated in the event.

The American chemical society began celebrating National chemistry week in 1987, the NCW is celebrated annually during the fourth week of October. National chemistry week is an annual event celebrating in all the country to raise students and public awareness of the importance of chemistry in everyday life. NCW encourages science enthusiasts to build awareness of chemistry at the local level. NCW will be celebrated October 21-27, 2018 with the theme 'chemistry out of this world'.

### INAUGURATION "NATIONAL CHEMISTRY WEEK"

On 22-10-2018 Inauguration Programme started with prayer song by our department students. Followed by Mrs. A. Shoba, Head & Asst. Professor of chemistry welcomed the gathering, the principal delivered the presidential address. Ms. K. Suguna, Head, department of English delivered felicitation address. Special address was given by Mrs. S. Selvakumar Head & Asst. professor of physics.

### QUIZ PROGRAMME

In continuation with Mr. D. Prakash, Assistant professor of chemistry, organized the quiz programme. In these quiz programme 25 chemistry students from UG and PG were participated, answered in good manner and 15 students were benefitted. Finally the prizes distributed to the winners by the chief guest, Ms. G. Pavithra delivered the Vote of thanks.

### POSTER PRESENTATION.

THEME : Fascinating Facts About  
Our Solar System.

On 23/10/2018 poster presentation programme started with prayer song by our department students. Followed by Ms. P. Sri Mohana Priya, II UG chemistry welcomed all the dignitaries. Mrs. A. Shoba, Head & Assistant professor of chemistry, delivered the presidential address. Mr. D. Prakash, Assistant professor of chemistry delivered felicitation address. Special address was given by Mrs. S. Sathiyakala, Head & Dept of computer Applications. and Mrs. N. Tamilarasi, Head & Asst. professor of computer science.

In continuation with Ms. H. Famitha, Asst. professor of chemistry organized the poster presentation programme. In these programme three students from II UG and I PG were participated and explained in good manner and answered for chief guest and participants questions. 75 students were benefitted in this poster event. Finally the prizes distributed to the winners by the chief guest. Ms. R. Kamatchi delivered the vote of thanks.

### POWER POINT PRESENTATION.

Theme: Life Journey of Nobel Laureates.

On 26/10/2018, power point presentation programme started with prayer song by our department students. Followed by Ms. Kamatchi, III Bsc, chemistry welcomed the gathering. Mrs. A. Shoba, Head & Assistant professor of Chemistry delivered the presidential Address. Special address was given by Ms. E. Kalaivani, Head and Assst. professor of Maths. Ms. G. Kavitha III UG chemistry delivered the Vote of thanks.

In continuation with Dr. V. Selvaraj, Assistant professor of chemistry organised the powerpoint presentation programme. In this programme, One staff member and two chemistry students from UG and PG were participated and explained in well manner. 25 students were benefitted. Finally the prizes distributed to the winners by the chief guest.

Power point presentation by Ms G. Panithra II MSc, chemistry in the topic of "Linus Carl Pauling".

### ESSAY COMPETITION.

Theme: Science and Technology for a Sustainable future.

On 27/10/2018 Essay competition programme started with prayer song by our department students. Followed by A. Fareena, III UG chemistry student welcomed the gathering. Mrs. A. Shoba, Head and Department of Chemistry delivered the Presidential address. Dr. V. Selvaraj, Asst professor of chemistry delivered felicitation address. Special address was given by Mrs. Dr. K. Jagathiy, Head & Asst. professor of microbiology.

In continuation with Ms. R. Anitha, Assistant professor of chemistry organised the essay programme. Essay topic is 'Science and technology for a sustainable future'. In this programme students from UG and PG chemistry were participated and submitted the 30 essays. and 75 students were benefitted. But two essays were selected and prizes distributed to the winners by the chief guest. Ms. R. Kamathi, III UG chemistry student delivered the vote of thanks.

### INTERNATIONAL WORKSHOP

DATE : 14.02.2019.

VENUE : B.Ed. Auditorium

### REPORT

Our department was organized one day International workshop in the topic "FLUORESCENT CHEMOSENSORS FOR APPLICATION IN BIO-IMAGING AND MESOPOROUS SILICA NANOPARTICLES (MSNP'S)-TARGETED DRUG DELIVERY SYSTEM IN CANCER THERAPY" On 14.02.2019.

The seminar was started traditionally and the first session was inaugural session started with welcome address by Mrs. A. Sree Head, Dept of Chemistry. The main theme of the seminar was delivered by Dr. V. Selva Assistant Professor, Dept of Chemistry. The Presidential Address was delivered by our Principal Dr. S. Mythili mam, the seminar was facilitated by our chairman sir and Secretary sir.

In this seminar, the special address was given by Dr. P. Venkatesan, Post Doctoral Fellowship - Department of Chemistry National Chung Hsing University, Taichung, Taiwan, acted as Resource person. He gave a more information about the nanoparticle and how it used in bio-imaging and sensors. He used in his work is silica nano particles - targeted drug delivery in cancer therapy. All the

Students were attended the workshop very eagerly and very useful to us. Finally vote of thanks was delivered by G. Ushavandhini, Asst Prof dept of Chemistry

### FOCAL THEME:

The focal theme of the Conference is to improve the knowledge about the materials to the students. Studying Material Science can lead to an international career. Material Science is a key aspect of most Companies the world over. In the race to make them stronger, cheaper, lighter, more functional and more sustainable the manipulation of materials, their properties and process is key.

## INDUSTRIAL VISIT

DATE :- 08.01.2019

PLACE : IIT, MADRAS

### REPORT

An Industrial Visit to "Indian Institute of Technology, Chennai" Laboratory visit, was organised by our department on Tuesday, 08.01.2019.

Totally 53 UG Students and 17 PG Students and 8 faculties visited to IIT, Chennai campus to interact with the research laboratory to understand current research scenarios latest instruments techniques, new org synthesis methods and criteria for using the instruments etc.

In this visit students were very eagerly waiting for listening to laboratory demonstrators. This is the forenoon schedule.

In the afternoon session we visit highly expensive instruments like NMR, ESR, UV, IR, AAS, PEC etc.

We divided our students in the

batch of 10 students per batch for the visit and the interaction with the Research scholars.

The HOD of chemistry department, DR. MANGALA SUNDER KRISHNAN, Prof & Head of the department conducted very informative session for the students.

Also he motivated to the students to select their institution for their higher studies. He also guided the students to select the areas like Organic, Inorganic, Physical, Nano materials, polymers etc for their Ph.D, P.D.F, CSIR-NET and its importance in the current scenarios.

He also guided an article, research publication and paper publications which is their research period.

Finally, he gave a brief introduction of IIT and other academic activities like NPTEL Exam, Spoken tutorial to the student.
