

Department of physics

Date: 20.6.19 - 22-6-19.

Bridge Course.

Bridge Course was conducted for the I year student on 20.6.19 and 22.6.19. yoga, General English, General Tamil, Major, General psychology, allied were the components of the course. Mrs. Karpagavalli, yoga Master highlighted the importance of the yoga in the daily life. Mrs. M. Gnanamalai, Head and Assistant professor of Tamil. Mrs. V. saranya assistant professor gave introduction about the foundation English and basic Grammar. Mrs. A. Jendralasi, psychiatric Consultant, silver buds institute, Chennai gave a special address about the class room behaviour of the students. Mr. S. selvakumar Head and Assistant professor of physics gave introduction about the BSc physics syllabus and brief introduction about the CBCS system. Ms. K. thirumagal, Assistant professor gave introduction about the allied syllabus and mark allocation.

STUDENT INDUCTION PROGRAMME [SIP]

[04.09.2019 to 06.09.2019]

Department of Physics

Organised by
Internal Quality Assurance Cell

Student Induction Programme - [SIP]

OBJECTIVE :

The objective of the programme is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature. The program also helps to rectify some critical lacunas and sensitize them towards exploring their academic interest and activities, reducing competition and making them work for excellence, build relations between teachers and students and overall personality development.

ORIENTATION TO MENTORS:

An orientation programme was organised to the mentors regarding the student Induction programme. Dr. S. Mythili Principal & Chairperson of IQAC briefed the roles and responsibilities of the mentors. Ms. Suguna.K. Vice Principal & Co-ordinator of IQAC released the programme schedule and explained it. All mentors, Librarian, IQAC members, Heads of the Departments were present in the orientation programme.

ACADEMIC REGISTRATION:

Students were assembled in a hall and they were asked register their names for student induction programme by signing in the attendance sheet.

INAUGURATION:

Inauguration was started after a small Ice breaking session. Mr. S. Selva Kumar, Head, Department of Physics welcomed the gathering and delivered a short speech about the history of the college

and department of physics and briefed about the unique practices of the department, Science Clubs and Labs etc. Mrs. P. Kalpana and Mrs. K. Malathi were the mentors and they were introduced to the students by the HOD. The mentors explained about the significance of the SIP and the events.

MENTOR MENTEE GROUP MEETING:

Students were divided into two groups, the mentors introduced themselves followed by the students. Students discussed about their hobbies and other extra-curricular activities were involved.

UNIVERSAL HUMAN WELFARE:

Ethical values and morality development values were explained to the students. The main idea is to mould the budding students with the practical ethics and inculcate the fundamental characteristics of a good society. Motivational videos were screened to the students in this session.

GROUP DISCUSSION :

Students were divided into groups of 10 and a topic on "Women safety" was allocated. Students were allowed to discuss on the topic and 5 minutes was given to each group to express their views on the said topic. Groups noted down emerging points and arguments.

CAMPUS VISIT :

Campus visit was organized to make the students familiar to the new entrants. Administrative office, Computer lab, Microbiology Lab, Chemistry Lab, Physics Lab, Zoology Lab, Research Lab, Biochemistry Lab, Exam cell, Library, Placement Cell, Women Development cell, Nss office, Herbal garden, Canteen, Mess, Sewage plant, Nursery, Cattle house were visited during the session.

LITERARY ACTIVITY

SKIT:

Skit was performed by the students on the theme: Education & Women Empowerment. 8 students participated and performed. Script, screenplay direction was done by the students.

HANDICRAFT:

Students were trained to prepare artistic material from the waste. Students learned to prepare paper basket, Pen stand, flower bouquet, wall hangings, etc. They prepared a sample and displayed in the auditorium.

DEBATE:

Debate was a formal discussion on the topic "The New Education Policy" during which the students brought forth their ideas on the open forum. The evaluation in such public speaking competitions depends on various parameters like relevance with the topic, statistical values, fluency and relevant points. Two teams each having

25 Participants were made to sit in opposite direction facing each other and hot debate took place and the same helped the students to bring out their innovative thoughts.

DRAWING :

In this session students sketched drawings on various concepts using pencil.

SINGING :

During this session the importance of music, types of music, instrumental music was discussed. Later all those students who were possessing the skill in the above mentioned categories were given chance to prove their talents. One particular student Ms. M. Arthi gave a song on "Environmental Awareness".

SPECIAL LECTURE BY EMINENT PERSON :

A special lecture by Dr. K.V. Arulalan, Child specialist, Vellore was organised on the Topic : Social Accountability of students. During this session Dr. S. Niythili, Principal delivered the welcome Address and the

resource person explained about the social accountability of the students which should be inculcated in the young minds. There was a good interaction between students and resource person and this proved that students are spontaneous.

VISIT TO TALUK LIBRARY:

In order to inculcate the reading habit in students, a visit to Taluk library in Vandavasi was organized and on visiting the same students were trained to access the resource material in the library. Rules and Regulations, importance of the library were highlighted by both college librarian and Librarian of Taluk Library. The students were presented with books to encourage them in reading.

VISIT TO HISTORICAL MONUMENT:

During this programme, the students were also motivated to know about the importance of historical monuments. To highlight the same they were taken to Thirumalpadi Temple which is situated in

Pesur Panchayathi of Tiruvannamalai district. The motive of this visit is to make the students to realize the historical importance of stone inscriptions during the period of Pallava and chola kings. This has inspired the students to learn about the historical background in the midst of technological world. This has not only helped the students to know about the history but also made them to enjoy a day with their friends.

VALEDICTORY & FEED BACK SESSION:

On the final day of the programme all the first year students were made to gather and they were given an opportunity to explain how this SIP programme has inspired them in various ways. This feedback session has helped the students to come out of stage fear and let their ideas spontaneously without the intervention of their staff. A feedback form was also filled by the students in order to analyse how far the SIP programme has been successful.

MOVIE SCREENING

DATE : 09.10.2019

On 09.10.2019 celebration of world space week was organised in the Department of Physics. A space related movie was screened to the students. Ms. K. Vijayalakshmi, II PG Physics welcomed the gathering, Mr. S. Selvakumar, Head & Assistant professor of Physics delivered the focal theme and explained the significance of the celebration and insisted the importance of the theme. Dr. M. Amburannan, Assistant Professor of Physics gave the special address on the theme. Mrs. S. Sathyakala, Head & Assistant Professor of computer Application delivered the felicitation address explained the scope of Physics. Ms. S. Marthanbee, II PG Physics delivered the Vote of thanks.

TELESCOPE VIEW & VALEDICTORY

On 10.10.2019 celebration of world space week was organized in the Department of physics. Story telling valedictory was organized in the Department of physics. Mrs. K. Malathi, Assistant professor welcomed the gathering. Mrs. P. Kalpana, Assistant professor of physics presented the report of the 7 days celebration. Ms. V. Sharmila, U & physics recited of the a short story related to space. Dr. Shanmugam and Mr. Swender from Chennai brought a telescope and they shown the image of the sun and explained the significance of the astrophysics and encouraged the students to make small telescope in their home. Mrs. J. Tamilselvi Head & Department of commerce delivered the felicitation address appreciated the efforts of the students. Mr. S. Selvakumar Head and assistant professor delivered the vote of thanks.

YOUTH INSPIRATION DAY.

A meet was organised on 15.10.2019 the birthday celebration of Dr. A.P.J. Abdul Kalam. The event started with a silent prayer in order to pay homage to the great citizen of our country. The students planted saplings in college campus in the presence of Dr. S. Mythili, principal and Mr. S. Selvakumar Head of Department of physics. The meet was started with the welcome address by Ms. R. Sri Narayani Lakshmi, III UG physics. Mr. M. Arjunan, Assistant professor of physics gave the special address on the life history of Dr. A.P.J. Abdul Kalam also he explained the scientific innovations introduced by Dr. A.P.J. Abdul Kalam for the welfare of the country. The event came to end with the vote of thanks by Ms. K. Uma Maheshwari, III UG physics. Nearly 17 students participated and benefited.

ONE DAY STATE LEVEL SEMINAR ON EMERGING
TRENDS OF MATERIALS IN MEDICAL FIELD.

One day state level seminar on "EMERGING TRENDS OF MATERIALS IN MEDICAL FIELD", organized by Department of Physics, Sri Akilandeswari Women's College, Wandiwash on 13.02.2020.

The conference started traditionally by lighting the lamp by the dignitaries and inaugural session started with the welcome address by Ms. K. Kavitha, III UG Physics, The presidential address delivered by the convener of the conference Dr. S. Mythili, Principal Sri Akilandeswari Women's College.

The first session started the plenary talk by Dr. Vijayalakshmi Sanyal, Assistant professor PG & Research Department of Physics, Thiru. A. Govindaswamy Government Arts College, Thindivanam on "Emerging Trends of Materials in Medical Field".

The second session was started after the tea break and special lecture about Emerging trends of materials delivered by Dr. Vijayalakshmi Sanyal, Assistant professor PG & Research Department of Physics, Thiru. A. Govindaswamy Government Arts College, Thindivanam. Felicitation address was given by In. N. Ramanan, Secretary and member - Syndicate Thiruvalluvar University, Vellore. Dr. S. Mythili, Principal Sri Akilandeswari Women's College, Certificate distribution to the internal and external participants.

Mr. S. Selvakumar, Head, Department of Physics delivered the vote of thanks the Conference came to end with national anthem nearly 400 students participated and benefited.

Intra department competition was organised in the Department of Physics. As a part of it, Snap Talk was conducted by Mrs. C. V. Raman on 14.02.2020. Ms. G. Priyankaani, II - PG, Physics welcomed the gathering and Ms. J. Shanasteba, Assistant professor of physics, event organised and co-ordinated the event. About 10 students from all classes participated. Mrs. S. Sujatha Assistant professor of Computer Science, acted as the judge. Best students were appreciated and given prizes. The meet came to an end with the National Anthem followed by the vote of thanks by Ms. K. Kavitha, III UG, Physics. About 85 students participated and benefitted.

PRIZE WINNERS.

1. V. Shaamila - II UG
2. V. Jamilaasi - II UG
3. M. Suganthi - I UG.
